**NOTICE TO BIDDERS**

Sealed proposals will be received by the Board of County Road Commissioners of the County of Eaton, Michigan at 1112 Reynolds Road, Charlotte, MI 48813, until 10:00 A.M., Monday, May 9, 2022, at which time and place proposals will be publicly opened and read aloud for furnishing and delivering the following:

**TRAFFIC CONTROL TO CLOSE AND DETOUR ROADS AT  
MULTIPLE LOCATIONS THROUGHOUT EATON COUNTY,  
MICHIGAN**

Specifications, bid blanks, and further information may be obtained from the Eaton County Road Commission website located at <http://eatoncountyroad.com/Doing-Business-With-Us/Bid-Information> or by e-mailing [ecrc@eatoncountyroad.com](mailto:ecrc@eatoncountyroad.com).

All proposals must be submitted in sealed envelopes bearing the name of the bidder and clearly marked with a notation indicating the service or material for which the bid is submitted.

The Board reserves the right to accept or reject any or all bids, to waive irregularities in any proposal, and to make the award in any manner deemed in the best interest of the County of Eaton.

**EATON COUNTY ROAD COMMISSION  
CHARLOTTE, MICHIGAN**

**PROPOSAL FOR  
2022 TRAFFIC CONTROL**

**To: Board of Eaton County Road Commissioners  
1112 Reynolds Road  
Charlotte, Michigan 48813**

The undersigned has examined the Plans, Specifications, and the Location of the work described herein and is fully informed as to the nature of the work and the conditions relating to its performance. The undersigned also understands that the quantities shown are approximate only and are subject to either Increase or Decrease on individual locations, and that additional project locations may be added throughout the county during the construction season.

The undersigned hereby proposes to furnish all necessary equipment, tools, apparatus, and other means of construction; do all the work and furnish all the materials; and, for the unit prices named in the itemized bid, complete the work herein described, in strict accordance with the plans thereof, and in strict conformity with the requirements of the 2020 Michigan Department of Transportation Standard Specifications for Construction and such other special provisions and supplemental specifications included as part of this proposal.

The undersigned further proposes to do such extra work as may be authorized by the Eaton County Road Commission, prices for which are not included in the itemized bid. Compensation shall be made on the basis agreed upon prior to commencing with extra work.

If the undersigned is the successful bidder and fails to enter into a contract and furnish satisfactory bonds to the Eaton County Road Commission within 15 days after being furnished with the necessary contract and bond forms, the road commission will award the project to the next low bidder.

EATON COUNTY ROAD COMMISSION

SPECIAL PROVISION  
FOR  
MAINTAINING TRAFFIC

ECRC

1 of 1

04/21/22

**a. Description.** This special provision consists of requirements and restrictions to maintain traffic on all crush and shape jobs in Eaton County.

**b. General.** Traffic control shall be provided for the duration of the project as indicated on the project maps in accordance with Sections 104.11 and 812 of the 2020 Michigan Department of Transportation Standard Specifications for Construction, the Special Provisions, and as specified herein. Signs must meet MMUTCD specifications.

**c. Traffic General.** Project location maps with specified signs and locations are provided within this bid package. All signs, warning lights, barricades and all other traffic control devices, methods, and procedures shall be in accordance with the 2020 Michigan Department of Transportation Standard Specifications for Construction, the 2011 revision of the Michigan Manual of Uniform Traffic Control Devices (MMUTCD), and as specified herein. The contractor is responsible for staking sign locations before signs are post driven.

All temporary sign supports for detour and traffic control **shall be driven** per MDOT Standard Plan WZD-100-A and the 2020 Standard Specifications for Construction before any construction is permitted to start.

**d. Schedule.** Work is expected to begin in mid-May and be completed by the end of August. Projects completed prior to the end of August shall have the signs removed when directed by the Engineer. Signs shall remain for projects that are not complete and open to traffic by the end of August. The Contractor should expect all projects to be closed concurrently

**e. Measurement and Payment.** Items used for this project will be measured and paid for in accordance with the 2020 Michigan Department of Transportation Standard Specifications for Construction, except the **Oper** and **Furn** items will not be measured separately. Payment for the item will include all work, materials, equipment, and labor included in both the **Furnished** and **Operated** items as specified in the standard specifications.

Traffic control devices will be measured separately at each project location. Unit price payment for all traffic control items delivered and installed on these projects will be payment in full. Minor Traffic Devices is not a pay item on this project.

No payment will be made for devices damaged during construction.
