Residents assist the Eaton County Road Commission by providing valuable information about road conditions and initiating discussion on motorist safety issues. ECRC's policy is to be available and responsive to motorists' needs. Each month approximately 200 inquiries are received. Each is investigated by an experienced staff member.

The ECRC is governed by a board of five county road commissioners. The board's regular meetings, where the public is invited, are held at 8:30 a.m. on the second and fourth Tuesdays at the ECRC office.
